

WEST LEEMING PRIMARY SCHOOL

Westall Terrace
LEEMING, WA 6149

Tel: (08) 9266 6000

Dear parents,

Further to my communication yesterday, please see the information issued by the Department of Education.

Following the announcement from the State Government, all schools situated in the Perth metropolitan area have been closed for five days due to the COVID-19 pandemic. This has been designated as an extension of the school holidays.

West Leeming teachers and other school staff are required to remain at home this week and public schools will not be providing remote learning or student supervision in these regions.

Information about the lockdown is available on the wa.gov.au site. The latest health information is available through WA Health Department.

As yet, schools have not received information about school arrangements beyond this week. Therefore, I am unable to provide families with any details as to your child's schooling provision at West Leeming next week at this stage. I will continue to keep you informed through SchoolStream and our school website once this information becomes available.

In the interim, parents are able to access the Learning at Home resources on the Department's website should you wish to:

<https://www.education.wa.edu.au/learning-at-home>

This is certainly not the way any of us wanted to start the 2021 school year and on behalf of the staff, we want you to know that we have missed seeing your children today. The first day of any school year is very special, let's hope this is just a short delay.

Best wishes to all of you, I will be in touch as I know more.

Kind regards,

Lisa Tucker
(Principal)
