

REVISED SCHOOL UNIFORM PRE-PRIMARY TO YEAR 6

Following the outcome of our community survey in 2021 to select our refreshed school logo we have been working together with our School Board and P&C to incorporate this new logo and update our school uniform.

The changeover is expected to occur over a 4 year period, from 2022 to 2025. Families have the option of either purchasing new uniform design items or remaining with the previous design during this period (if stock quantities allow). Pre Primary families have the option to buy the new everyday polo shirt or continue with the current shirt until 2026. The Kindergarten t-shirt remains unchanged.

TIMELINE FOR TRANSITION PRE-PRIMARY TO YEAR 6

2022

- Hats (available immediately as all other stock has sold out)
- Bags (from Term 4 onwards as all current stock has sold out)
